

# Download A Concise Introduction To Mental Health In Canada

Mental health problems have a powerful and expanding impact in the workplace. To foster a pragmatic integrated approach to workplace mental health in Canada, the Workforce Advisory Committee of the Mental Health Commission of Canada commissioned CARMHA to create a resource to assist employers in this pursuit. The purpose of this Guideline is to support the Labour Program's mandate of promoting fair, safe, and productive workplaces. It is a brief introduction to the concept of psychological health and safety in the workplace. This Guideline provides relevant definitions, identifies risk factors for poor ...
