NEW! NEW! THE GREAT ZAPRUDER FILM HOAX Edited by James H. Fetzer, Ph.D. Perhaps no greater debate has raged in the history of the study of the death of JFK than over the authenticity of a 27-second home movie of the assassination, known as "the Zapruder film". In order to ascertain how the Harper Fragment and its corresponding defect was produced, it is necessary to establish two distinct hypothesis, which should in turn allow us to study and possibly determine the origin of the shot that caused it. The Surgeon in Parkland ER Insists Fatal JFK Head Shot Came From the Front [Editor's Note: You can see from the description given below by Dr. Robert McClelland of JFK's massive exit wound located in the back and on the right side of JFK's skull, that this exit wound could only be created when a projectile enters from the front and exits from the right rear IF the shooter was located in front of ... There are a number of bizarre similarities between the assassination of Abraham Lincoln and that of John F. Kennedy. Both presidents were shot in the head on Fridays.
