

Download Research Methods And Statistics Aspects Of Psychology

Etymology and definitions. The word psychology derives from Greek roots meaning study of the psyche, or soul (psychē, "breath, spirit, soul" and -logia, "study of" or "research"). The Latin word psychologia was first used by the Croatian humanist and Latinist Marko Marulić in his book, *Psychologia de ratione animae humanae* in the late 15th century or early 16th century.
